EARLY YEARS	
Course Name	**Description**
Devising and Reviewing a High Quality Curriculum Workshop	This session explores what makes an early years curriculum high quality. We will look at how to design a curriculum that is meaningful, ambitious and rooted in child development, while still reflecting the needs of your children and community. The workshops will offer networking opportunities that will support practical ways to review your current curriculum, strengthen progression and ensure a balance between child-led exploration and intentional teaching.
Early Years Network	The Early Years team would like to welcome practitioners across the sector to join them for all local and national updates.
Talking Babies Cluster	An opportunity to join professionals from the baby room, to learn from recent updates and evidence-based research.
SEND Solution Circle	The aim of the SEND Solution circle is to support the start of a journey where SEND needs are being noticed. As part of this meeting you will come to the session with an anonymised case study of the child in your setting and we will talk through the techniques and strategies that have been working and any others that could be tried to support this child further.
Prevent for Early Years	Part 1 of 2 sessions with Sheri, our Regional Prevent Co-Ordinator to explore what our role is in Early Years and support the writing of a Prevent Risk Assessment. EARLY YEARS	
Course Name	**Description**
Evidence-Based Quality Interactions	Join us for a session exploring what the evidence tells us about high-quality interactions and why they are central to effective early years pedagogy. We will unpack the research behind responsive, attuned and purposeful adult-child interactions and consider how these should shape everyday practice across the sector.
Childminder's Q&A	An opportunity to join the Early Years team in a focused Q&A session
Securing Foundational Knowledge across Reception and KS1	This session explores how to build and secure strong foundational knowledge across Reception and Key Stage One. We will look at what the evidence tells us about early cognitive development, progression and the core concepts children need to master for long-term success. The session unpacks how high-quality teaching, purposeful practice and well-sequenced learning experiences support children to develop secure understanding in early literacy, maths and wider curriculum areas
Talking Two's Cluster	Join the Early Years Team in talking all things two's. Receive relevant information and updates from the sector
Stoke Speaks out Training	The Stoke Speaks Out screening tool is a practical framework developed to evaluate and track early communication, speech, and language development in young children. It is designed to assist early identification of speech and language needs, helping practitioners and parents provide targeted, early intervention

EARLY YEARS	
Course Name	**Description**
The Togetherness Approach for Under 1's	This online session offers an opportunity to explore The Togetherness Approach, previously known as the Solihull Approach, and understand how it can strengthen relationships, regulation and connection across early years practice. Nadine Last from Shropshire's Parenting Team will guide us through the core principles, sharing insight into how the approach supports children, families and practitioners.
Assessment Support - Formative Assessment	Early Years setting staff, Reception teachers and SLT members are invited on behalf of the DfE to join the Local Authority Early Years Team. This webinar explores formative assessment in the Reception year.
Early Years Talk Boost Training	This Early Years Talk Boost training will support practitioners working with children 3 and 4 years-old to deliver the Early Years Talk Boost intervention to support children with a language delay. Attendees will develop knowledge and understanding of: Background to Early Talk Boost and early language development Selecting children for the groups Using the Early Talk Boost Tracker Partnership with parents and parent workshop Getting ready to start your Early Talk Boost groups Building on good practice

EARLY YEARS	
Course Name	**Description**
A graduated response through the Assess-Plan-Do-Review (A-P-D-R) process - How to write an Early Years PCP	This training helps Early Years practitioners develop confidence in implementing the graduated response for children with SEND through the Assess-Plan-Do-Review (APDR) process and creating effective Person-Centred Plans (PCPs). It explores early identification and assessment, gathering the views of children and families, planning meaningful outcomes and SMART targets, delivering targeted provision, and reviewing progress to ensure support remains effective and child-centred. Practical examples and planning activities enable participants to produce high-quality SEND documentation that evidences progress and supports funding or statutory assessment processes where appropriate. **Learning Objectives** By the end of the training, participants will be able to: Understand the principles of the graduated approach and effectively implement the Assess-Plan-Do-Review (APDR) cycle within an Early Years setting. Identify and assess emerging SEND needs using observation, assessment information, professional guidance, and partnership-working with families. Recognise the importance of capturing and responding to the views of children and parents when planning support. Develop high-quality Person-Centred Plans that reflect a child's strengths, interests, aspirations and needs. Write meaningful long-term outcomes and SMART short-term targets that support measurable progress. Plan and record effective provision, interventions, and strategies linked to identified outcomes. Review progress effectively and use outcomes to inform next steps within the graduated response process.

EARLY YEARS

Education Visits Coordinator (EVC)	
Course Name	**Description**
EVC Initial Training	This course will give an overall insight into the benefits of Learning Outside the Classroom experiences including curriculum-based visits, adventurous activities, residential and overseas visits. The attendees will be shown how and where to access guidance and be given examples of good practice. This will include information on formulating school and academy policies and procedures including legal requirements, visit planning, use of providers, assessing competency of staff, risk benefit assessments, monitoring visits and evaluating outcomes. It is aimed at people who have been assigned the role of EVC at their establishment but is also a useful course for heads of establishments who are responsible for approving visits. Attendees should have experience of delivering or assisting with educational visits although this is not essential. If an attendee does not have this experience, it is advised that they have a colleague back at their establishment who does has extensive visit experience and can assist the EVC with their role. (Please see guidance on www.oeapng.info Document 3.4j, Educational Visits Coordinator).
EVC Revalidation Training	The revalidation and refresher will give the EVC up to date guidance and latest good practice to enable their establishment to continue to deliver Learning Outside the Classroom experiences including curriculum-based visits, adventurous activities, residential and overseas visits. The participant must have completed a full OEAP Educational Visits Coordinator Training course within the last 3 years (the trainer may require evidence of this). This is NOT an E Visit Training session but may refer to the E Visit system throughout the session. It will consist of a presentation along with discussions and an opportunity for them to review their current practices along with tasks for attendees to complete during the training.
